Stamp: 32936

f. All regulated KURIOT items of materiel regardless of materiel grouping.

g. All regulated KUSODA items will be referred to the Chief, KUSODA [REDACTED] for approval prior to initiating procurement action.

h. All regulated KUCLUB and Medical items not contained in the materiel group exclusions, paragraph 3, will be referred to Headquarters prior to initiation of procurement action.

4. Disposal of unserviceable nonrepairable regulated items in the following Materiel Groups is specifically excluded:

a. Materiel Group I - Ordnance, Ammunition and Chemical Warfare Equipment and Supplies.

b. Materiel Group II - Transportation, Air Equipment and Supplies.

c. All regulated KURIOT items of materiel, regardless of materiel grouping.

d. Materiel Group V - Communication items and related materiel in other materiel stock groups. Approving representative: Chief, [REDACTED]

e. Materiel Group VI - Medical items and related materiel in other materiel groups. Approving representative: Senior EE Medical representative.

f. Security - Safekeeping equipment, polygraph machines and similar sensitive materiel. Approving representative: Chief, KUSODA, [REDACTED].

5. Disposal of excess property in the following Materiel Groups is specifically excluded:

a. Materiel Groups I, V and VI.

b. Materiel Group II, other than Automotive and Marine Spare Parts and Accessories and Minor Engines.

(1) Minor engines shall be considered as gasoline or diesel, not exceeding four cylinders, having 12 or less SAE rated (taxable) horsepower as differentiated between INDICATED and BRAKE horsepower.

(2) Engines removed from parent equipment, without replacement, which would render the unit inoperative, are excluded.

c. All KUCIUS and KURIOT items of materiel regardless of materiel groupings.

d. Prior approval will be obtained from Chief, KUSODA, Station, before disposal of any safekeeping equipment, polygraph machines and similar sensitive security type materiel.

6. In effecting disposal actions under the above delegations, the policy and procedures as set forth in [redacted] will be followed. The Chief, KUSODA, Station, will be consulted in all disposal actions where security problems are present. Disposal actions of any materiel assigned to the Strategic Reserve will be reported promptly to Headquarters, Attention: Director of Logistics.

7. The delegation of authority herein stipulated is not delegable to other elements outside the Senior Staff of the Chief of Station, [redacted].

8. Delegation of authority for the acquisition and disposal of motor vehicles in accordance with reference (e) remains unchanged.
